

May Newsletter

Happy May! Summer is quickly approaching, which means that KCDC is to get outside and explore!

Important Dates:

May 18th - Preschool Graduation

May 29th - CLOSED

June 1st - Ocean in Motion

On June 1st, the Sioux Falls Butterfly House will be stopping at Kid's Crossing with their Ocean in Motion exhibit! This mobile aquarium will be at KCDC from 10-11am, showcasing many ocean creatures. All classes ages toddler and older will get the opportunity to learn about marine life, followed by a chance with the animals. Sign up sheets will be posted outside the classroom, and any child who attends must pay a \$3 fee via cash or check.

With the warmer weather approaching, we will soon be starting our swim days! Classes ages 14 months and older will be participating in at least scheduled 1 swim day per week. Swim days consist of monitored sprinklers and kiddie pools at our playground. Infant classes will also do some water activities as the weather permits. Please be on the lookout for your child's swim schedule, and send the appropriate swimsuits, towels, swim diapers, and sunscreen (if needed).

May 18th is our annual preschool graduation! Our preschoolers who will be entering kindergarten will be celebrated with a ceremony at 4pm and a reception. More info will be posted as the date comes closer, so keep your eyes peeled for our invitations!
